What is the Annual Fund?

The Annual Fund at the University of Houston is a vehicle for providing support for colleges, departments and programs across the campus. Alumni are encouraged to support their academic college. Within the Cullen College of Engineering, annual fund gifts allow us to fund scholarships, special projects, equipment and supplies.

May I direct my Annual Fund gift?

Absolutely. Your gift can be designated for any department within the Cullen College of Engineering or to general support of the college.

An unrestricted gift is a gift that is given without any restrictions on its use. Unrestricted gifts provide the college the flexibility it needs to place resources where they are most needed or where opportunities are greatest (such as student aid, faculty support, new initiatives, supplies and equipment).

What is the difference between the Annual Fund and my Alumni Association Membership?

Your gift to the annual fund goes to directly support the college, department or program of your choice and is considered a charitable contribution for tax purposes. The Houston Alumni Organization membership dues support alumni activities and the Houston Alumline magazine.

How can I make a gift to the Annual Fund?
