Instructional Assistant Professor in Computer Engineering

The Department of Electrical and Computer Engineering (ECE) invites applications for Instructional Assistant Professor (non tenure-track) in the area of computer engineering, especially embedded hardware and software systems, computer architecture, and reconfigurable hardware. Applicants must have an earned doctorate, and the ability to teach hands-on laboratory courses.

Qualifications: Applicants must have an earned doctorate in electrical engineering, physics, or a closely related field at the time of application.

University and Department: The University of Houston (UH) is a Carnegie Tier 1 public research university located in a park-like campus close to major energy companies and the Texas Medical Center. Houston is a thriving city with an internationally diverse population, first-rate recreational opportunities, excellent schools, and affordable housing. The University of Houston, a designated Hispanic-Serving Institution, is among the top 25 colleges and universities granting undergraduate and graduate degrees to Hispanics and among the top 50 for enrolling Hispanic graduates and undergraduates. Additionally, the University ranks among the top 25 institutions for full-time, four-year undergraduate and graduate enrollment. It is an ADVANCE institution, one of a select group of universities in receipt of NSF funds in support of our commitment to increase diversity and the participation and advancement of women in STEM.

How to Apply: Please apply at http://jobs.uh.edu/postings/32630

The University of Houston is an equal opportunity/affirmative action employer. Minorities, women, veterans, and persons with disabilities are encouraged to apply.
